### New Faces a New Feature at the 1972 NCTE Convention

Have you wanted to be a speaker or a presenter at an NCTE convention and never before been on the program in that capacity? Do you have an idea or a presentation that you would like to offer for the first time to an NCTE audience? One feature of the Minneapolis convention in 1972 will be a program strand featuring such "New Faces."

If you would like this opportunity, please send full information in the form of a paper or a 500-word synopsis to the Vice President and Program Chairman for the 1972 convention, Mr. James T. Lape, 83 Myrtle Street, Boston, Massachusetts 02114. A committee of NCTE members will make final selections, basing their decisions on the appropriateness of the content and on the variety and balance needed for such a program strand.

All entries must reach Mr. Lape not later than January 30, 1972.

Other persons wishing to suggest ideas for program topics or for speakers, panelists, and the like are invited to send their recommendations to Mr. Lape not later than January 10, 1972. Names of recommended program participants should be accompanied by both home and school addresses and by a notation of special areas of competence and interest.
